TABLE OF CONTENT

Chapter 1. Introduction .....

1.1 Background of the Tourism Industry
1.2 Problem Statement
1.3 Objectives of the Project
1.4 Scope of the Project
1.5 Structure of the Project

Chapter 2. Literature Review.....

2.1 Overview of the Tourism Industry
2.2 Existing Platforms and Solutions
2.3 Identified Challenges in the Tourism Sector
2.4 Research Gap
2.5 Inspiration from Rapido and Similar Systems

Chapter 3. Proposed Work …….……

3.1 Project objectives
3.2 Key Features of the Platform
3.3 Future Plans for Enhancing Guide Services

Chapter 4. Methodology/Experimental Work.....

4.1 System Architecture Overview
4.2 Work Flow and Process Flow
4.3 Experimental Features and Technologies

Chapter 5. Result & Discussion …….....

5.1 Evaluation of the Guide Allotment System
5.2 User Feedback and System Usability
5.3 Comparison with Exiting Platforms
5.4 Challenges Encountered During Implementation
5.5 Lessons Learned

Chapter 6. Conclusion and Future Scope…….……

6.1 Conclusion

6.2 Future Scope

Chapter 7. References……..……
